

Spring Into Training
 April 14 & May 18, 2019

A Two-Part Land-based Workshop
 For all water work levels
 1:00-3:00pm Foster's Dog Training
 1080 West White Road
 Antioch, IL 60002

Don't wait until you are at the water's edge before you begin training for water work. All exercises, from Apprentice to Courier rely on the same fundamental skills that can be learned indoors or in your yard. Having a reliable and strong base to build on, will make advanced training more successful and fun. Join us for two afternoons of training to help prepare you and your dog for this season's water work.

Prior to the first class, it is recommended that you read the introductory section of the PWDCCA Water Manual and download the exercise descriptions appropriate to your level of training. The manual can be found on the PWDCCA website – www.pwdca.org

Things to bring with you:

- A crate for your dog
- Buckle collar and 6 ft. leash
- Long Line (recommended, but optional at this time) - at least 20 ft.
- Water bowl and water
- Lots of yummy soft treats (2-3 different types)
- 1-2 retrieving toys or your water work equipment

*Please complete the section below and send it, with a check made out to PWDCGC to
 Deborah Gressle, 311 Wilcox Street, Fort Atkinson, WI 53538*

\$40 member \$50 non-member

Registration Deadline is Wednesday, April 11, 2019

NOTE: A MINIMUM OF SIX TEAMS ARE NEEDED FOR THE WORKSHOP TO BE HELD
